The PRPs are asking for a meeting to discuss our oversight costs. Let me know when you are available in the next few weeks. I'll call Ricci when we have some dates that work for us and ask him what they want to talk about in particular. M.W.F. are best for me since I'm in the ofc those days.

Juan – I assume that you have seen the attached email from Angela Carpenter. It seems that she has put you in charge of coordinating the meeting. Please give me some dates over the next few weeks when your team would be available. Thanks. Rich Ricci
